OVERVIEW

- **Universal's Islands of Adventure** features some of the most thrilling and innovative rides and attractions ever made on seven spectacularly themed islands: The Wizarding World of Harry Potter, Marvel Super Hero Island, Toon Lagoon, Jurassic Park, The Lost Continent, Seuss Landing and Port of Entry.
- Opened in 1999 with Academy Award-winning producer/director Steven Spielberg as creative consultant
- Size: 101 acres

FEATURED

- **The Wizarding World of Harry Potter** is the most spectacular themed environment ever created — where the wonder, excitement and adventure of the Harry Potter films live on.
- The 20-acre area includes the village of Hogsmeade featuring Zonko's joke shop, Honeydukes, the Three Broomsticks, the Hog's Head pub, the Owlery and Owl Post, Ollivanders and Dervish and Banges.
- Just beyond Hogsmeade is Filch's Emporium of Confiscated Goods and three attractions that place guests right in the middle of Harry's world: **Dragon Challenge**, **Flight of the Hippogriff** and, located within Hogwarts castle, **Harry Potter and the Forbidden Journey**.
- **The Amazing Adventures of Spider-Man — Newly-Enhanced**
  One of the world's most popular theme park experiences now features stunning, all-new enhancements, including a new highly-sophisticated Infitec 3-D projection system, a rockin' new music score and all-new 3-D Spider-Vision glasses.

ANNUAL EVENTS

- **Grinchmas — December**
  Just in time for the holiday season, enjoy a live retelling of Dr. Seuss's classic holiday tale starring The Grinch.

FUN FACTS

- **The Wizarding World of Harry Potter** is the only place where guests can see the Hogwarts founders; they haven't appeared in any of the Harry Potter films.
- The Hogwarts Express train, located at the front of Hogsmeade in **The Wizarding World of Harry Potter**, is an exact replica of the one from the Harry Potter films.
- The thrilling 85-foot plunge at the end of **Jurassic Park River Adventure** is the longest water descent ever built.
- In the newly-enhanced **The Amazing Adventures of Spider-Man** attraction, legendary comic book icon and Spider-Man co-creator Stan Lee makes a cameo appearance in the film animation.
- Dr. Seuss never drew straight lines in his illustrations; everything was curved, slanted or "wonky." Thus, there are no straight lines in **Seuss Landing**.
